

Not a Study of PSD

Not To inventory every Copy & Typewriter Machine.

Publication Requirements

NOT odd bits

But Bulk -

DDI - Vol. coming to Analysts is enormous

We reproduce much -

It comes because it finds
itself going to Analysts
and bulk then declines

Look at ② Agency is to get substantial info & Covert
Internal Publications should have

second priority to external ones Production
③ Publications of many copies - we should question us

- + + + + +
+ + + + +
+ + + + +
- Ind lines of reader -
- (4) Detained Monthly Weekly reports
also are reproduced in many Epics
This too takes printing of reader lines -
- (5) How much justification is necessary for printing -
~~DATE~~ a publication -

Not to study DDP Printing -

Epic
Photon
Computer

Should Printing be exclusively a PSD process

D
NPIC

STATSPEC

What is scope (what is included) in Study -

Pgmary Comm Group
automatic dissemination
Waste Disposal -
